

Touch screen allows the kiosk to be user friendly

Adam : "A Kiosk can be used to transfer data."

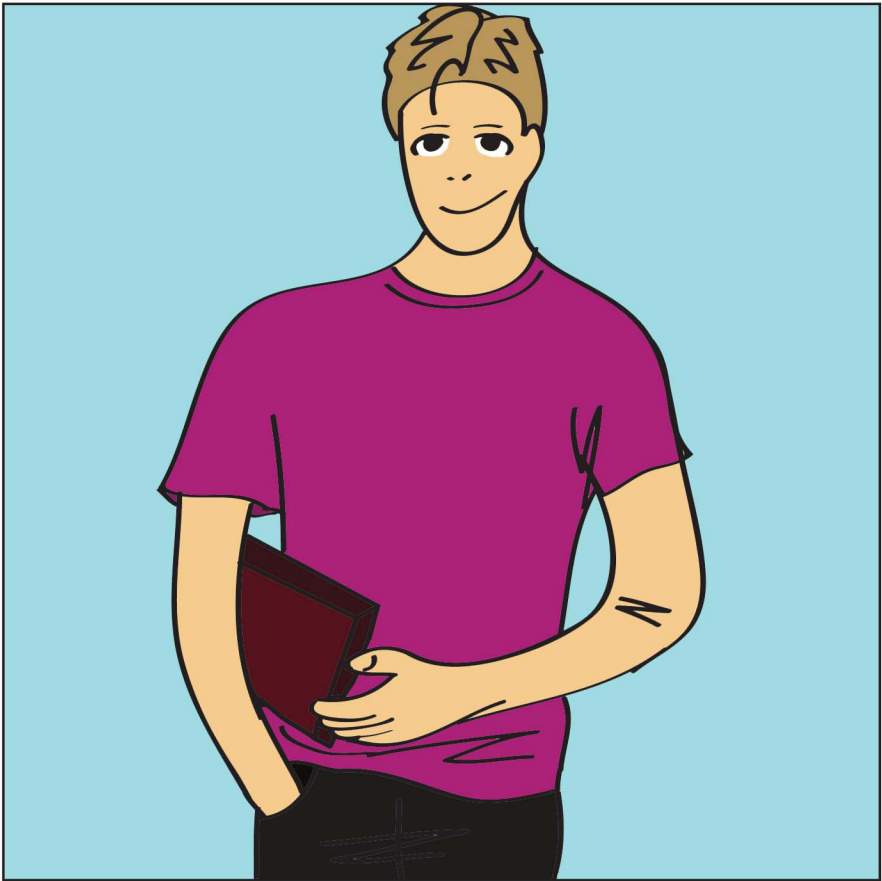

Adam : "We would never have to pay for overpriced textbooks again."

Transition to register total

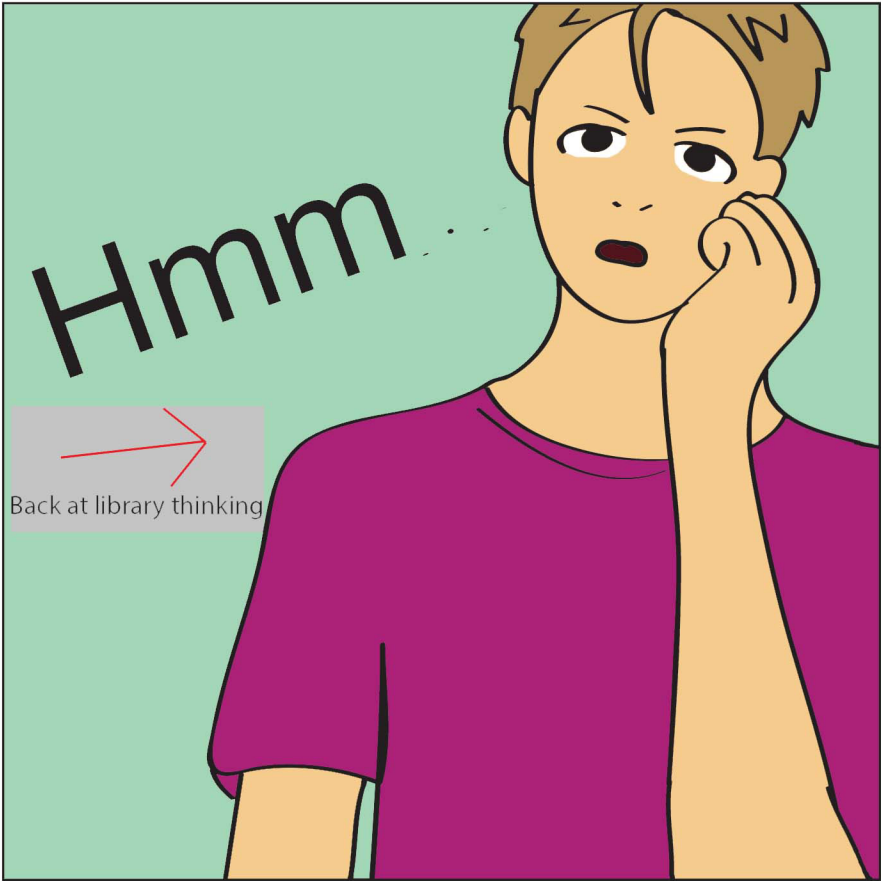

Receiving money back

Emphasize less spending.

Adam: "Plus, we would only have one device to carry!"

Transition to show less burden than before

Back at library thinking

Adam: Curious if it's possible.

**Affordable Textbook
Options Are Closer
Than You Think.**

**They Just NEED YOUR
Support!**
